Searching (Parkside Mix)

Change

Hit the town in the cold of the night
Looking round for the
Warmth of the light
There was fog all around
So I guess no one saw me arrivingI was tired and awake for some time
Then my lights hit a welcoming sign
It said if you're alone
You can make this your home
If you want to
OwwwwSearchin, searchin (for so long)
Searchin (searchin)
Searchin, searchin (i
Just wanted to dance)
SearchinStepped outta the night
It was brighter inside
Someone come and asked me my name
Taken back by surprise
What I saw with my eyes
A girl in a love's disguise[Chorus]
She said stop! stop! stop!
Get out your heart
Haven't got a lot
But play the part
Mister stop! stop! stop!
Get out your heart
What I've got's hot stuff
The night is oursCoffee glass that had
Fell from my hand
Like a child couldn't
Quite understand
What was I doin' there
Far away from nowhere
On my ownI was tired and awake for some time
Just the light playing
Tricks with my mind
Was she there in a crowd
Was the music too loud
Was I dreamingSearchin, searchin (for so long)
Searchin (i don't want

Romance I just want my
Chance searchin)
Searchin, searchin (yeah)
SearchinJust came by here by chance
Only wanted to dance,
No news, no her, no, no, no one
Taken back by surprise
What's in front of my eyes
This girl in a love's disguise[Chorus]
