

Photographic (Rex the Dog Faithful Mix)

Depeche Mode

A white house, a white room
The program of today
Lights on, switch on
Your eyes are far away
The map represents you
And the tape is your voice
Follow all along you
Till you recognize the choice I take pictures
Photographic pictures Bright light
Dark room
Bright light
Dark room I said I'd write a letter
But I never got the time
And I'm looking to the day
I mesmerize the light
