Swans

I'm your stupid child
I'm your stupid childI'm your stupid helpless child
I'm your stupid helpless child
I'm your stupid helpless child
I'm your stupid naked child
I'm your stupid naked child
I'm your stupid naked childI'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I am
I'm ashamed of what I amI like the way that feels
I like the way that feels
I like the way that burns me
I like the way that burns meI like the way that dulls me
I like the way that dulls me
I like the way that cuts me down
I like the way that cuts me downYou know stupid child
I'm your stupid childI like the way that feels
I like the way that feels
I like the way that feels
I like the way that feelsI like the way that feels
