

# Justify

## Daryl Hall

Baby's gone  
Said she's movin' on  
Telling me  
I ain't comin' along I thought you said you were satisfied  
You've given up on everything we tried for, why?  
How can you justify sacrificing our love  
Justify Sacrificing our love  
Smoking gun  
Hoid it in your hand  
You can't deny I'm the victim of your plan  
Innocence with a guilty side  
I don't understand  
Tell me why oh why How can you justify sacrificing our love  
Justify  
Sacrificing our love  
Lonely hearts finally find a home Then they part  
Like everybody does  
Guess the love meant more to me  
Go your way But i can't see... why?  
How can you justify sacrificing our love  
Justify  
Sacrificing our love
