

Wilma's Rainbow

Helmet

You heard about, "Be your own man"
You talk a lot and loud
Illustrate the obvious boy
You're mentally endowed Watershed year comes
You flush with fever
The richest junk dealer Honestly, a book you read once
Let you think in rhymes
The old extreme sits pale and molds
Now for the millionth time Wilma's rainbow
Of peaceful colors
The richest junk dealer Wilma's rainbow
Of peaceful colors
The richest junk dealer
