Do You Know What You Want

M2M

Do you know what you want
Do you know what you wantSomeone who treats you right
Stay with you day and night
I can tell that's what you need
I know just what to do
I'll take good care of you
Baby, you can get that from meI can tell she's not treating you right
Every time you look at me
(Do you know what you want)
So which one will you choose
You look so confusedTell me the truth
Do you know what you want
(Do you know what you want)
Do you know what you want
(Do you know what you want)
What you wantLove's so hard to find
So make up your mind
Do you know what you wantOh baby, can't you see
One minute you're with me
The next one you are all over her
She talks behind your back
You know I'll stay on track
Something she wouldn't for sureHow can I help you to make up your mind
Boy, you're running out of time
(Do you know what you want)
So which one will you choose
You look so confusedTell me the truth
Do you know what you want
(Do you know what you want)
Yes, I know what I want
(Do you know what you want)(Give me love)
Love's so hard to find
So make up your mind
(Make up your mind)
Do you know what you wantPlease call me and say I am the one
You need in your life, oh baby
The game that you play ain't no fun
Please answer me now
Gotta know what you wantDo you know what you want

Do you know what you wantI can tell she's not treating you right
Every time you look at me
(Do you know what you want)
So which one will you choose
Oh, you look so confusedTell me, tell me the truth
How can I help you to make up your mind
Boy, you're running out of time
(Do you know what you want)
So which one will you choose
You look so confusedTell me the truth
Do you know what you want
(Yes I know, what I want)
Do you know what you want
(Tell me what do you want)Do you know what you want
(Tell me, love's so hard to find)
Love's so hard to find
So make up your mind
(Make up your mind)
Do you know what you want
