

Everything Is Cool

Reel Big Fish

I'm so glad you're gone,
You just led me on
Where did it go wrong,
Too bad for too long
I live without you know
I'll get along some how
I don't care anyway,
I just wanted to say Everything is cool
How are things with you
Everything is cool
I wish you were You say we'll be friends,
That just means no sex,
I don't care what you say
I'm tired of fucking you anyway
I guess it is my fault
But do you blame you at all
I'll have to let you go
I just want you to know that Everything is cool
How are things with you,
Everything is cool,
I wish you were dead!
