

Something in the Air (Remastered)

Fish

(speedy/keen)Call out the instigators because there's something in the air,

 We got to get together sooner or later because the revolutions here,

 And you know it's right and you know that it's right.

 We have got to get it together.

 We have got to get it together now

We're together now.Knock up the streets and houses because there's something in the air,

 We got to get together sooner or later 'cos the revolutions here

 And you know it's right and you know that it's right

 We have got to get it together

 We have got to get it together nowHand out the arms and ammo

 We're gonna blast our way through here

We've got to get together sooner or later because the revolutions here

 And you know it's right and you know that it's right

 We have got to get it together

 We have got to get it together now

 We have got to get it together now

 Now, we're together now, the revolutions here,

 It's here, the revolutions here now.
