Zoom

E-40

I may be just a foolish dreamer but I don't care
'Cause I know my happiness is waiting out there somewhere
I'm searching for that silver lining
Horizons that I've never seen
Oh I'd like to take just a moment and dream my dream
Dream my dream
Zoom, I'd like to fly far away from here
Where my mind, oh Lord, is fresh and clear
And I'd find the love that I long to see
Where everybody can be what they wanna be
I'd like to greet the sun each morning
And walk amongst the stars at night
I'd like to know the taste of honey in my life, in my life
Well I've shared so many pains
And I've played so many games
But everyone finds the right way somehow, somewhere, someday
Zoom, I'd like to fly far away from here
Where my mind can be fresh and clear
And I'd find the love that I long to see
People can be what they wanna be
I wish the world were truly happy living as one
I wish the word they call freedom someday would come
Someday would come
Zoom, I'd like to fly far away from here
Where my mind can be fresh and clear
And I find the love that I long to see
Everybody can be what they wanna be
Zoom baby, I'd like to fly away
Well I'd like to fly away, well I'd like to fly away
Zoom baby, I'd like to fly away
Well I'd like to fly away, well I'd like to fly away
Zoom baby, I'd like to fly away
Well I'd like to fly away, well I'd like to fly away
Zoom baby
Zoom, zoom, zoom
Zoom, you and me baby walking free
Don't you wanna go? Don't you wanna go?
Baby, baby, baby, baby, baby, zoom zoom, zoom
Don't you wanna go? Don't you wanna go?

Don't you wanna go? Don't you wanna go?
Don't you wanna go? Don't you wanna go?
Don't you wanna go?
Oh maybe baby, maybe baby, maybe baby
