

# Something in the Air

Tom Petty

Call the instigator  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together now Run through the fields and houses  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together now Call out the instigator  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together now
