

# Romeo and Juliet

## Dire Straits

A lovestruck Romeo, sings the streetside serenade  
Laying everybody low with a love song that he made  
Finds a streetlight, steps out of the shade  
Says something like, You and me, babe, how about it? Juliet says, Hey, it's Romeo, you nearly gave me a heart  
attack  
He's underneath the window, she's singing, Hey, la, my boyfriend's back  
You shouldn't come around here, singing up at people like that  
Anyway what you gonna do about it? Juliet, the dice was loaded from the start  
And I bet and you exploded in my heart  
And I forget, I forget the movie song  
When you gonna realize, it was just that the time was wrong, Juliet? Come up on different streets, they both  
were streets of shame  
Both dirty, both mean, yes and the dream was just the same  
And I dream your dream for you and now your dream is real  
How can you look at me, as if I was just another one of your deals? Well, you can fall for chains of silver, you  
can fall for chains of gold  
You can fall for pretty strangers and the promises they hold  
You promised me everything, you promised me thick and thin  
Now you just say, Oh, Romeo, yeah, you know  
I used to have a scene with him Juliet, when we made love, you used to cry  
You said, I love you like the stars above, I'll love you till I die  
There's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet? I can't do the talk like the talk on the TV  
And I can't do a love song like the way it's meant to be  
I can't do everything but I'd do anything for you  
Can't do anything except be in love with you And all I do is miss you and the way we used to be  
All I do is keep the beat, the bad company  
And all I do is kiss you, through the bars of a rhyme  
Juliet, I'd do the stars with you any time Juliet, when we made love, you used to cry  
You said, I love you like the stars above, I'll love you till I die  
There's a place for us, you know the movie song  
When you gonna realize, it was just that the time was wrong, Juliet? And a lovestruck Romeo, he sings the  
streetside serenade  
Laying everybody low with a love song that he made  
Finds a convenient streetlight, steps out of the shade  
He says something like, You and me, babe, how about it? You and me, babe, how about it?
