I Wanna Be That

Tank

Ladies and gentlemen, a young producer
That needs no instruction on productions
Jay frizzle, pushers, breathe easy, my nizzle
A young R&B singer slash swinger
It's got to be Tank, believe it
See, I ain't really wanna waste ya time
Girl, I just wanna talk with ya
Get something on your mind
See, I'll be mighty good to ya
The type that'll tuck you in
That you can depend that I'm that type of friend
You can call when the clock gets late
Around seven or eight or nine or ten
Girl, I wanna be that
Player who gets that late night call
Can't ya see that, girl what's up with you
Tryna, tryna find out just where ya be at
So I can come through and beat that
I wanna be the one you call
Whenever your friend feel like she need that
Girl, I wanna be that
I'm the type of guy that understands
The proper way to deal with ya
I feel like ya need a man
Now can I just be real with ya
I can't give the world to you
I can't even promise that I'm going be all the way true
But you can call me, girl
Around eleven or twelve, one or two
Girl, I wanna be that
Player who gets that late night call
Can't ya see that, girl, what's up with you?
Tryna, tryna find out just where ya be at
So I can come through and beat that
I wanna be the one you call
Whenever your friend feel like she need that
Girl, I wanna be that
Player who gets that late night call
Can't ya see that, girl, what's up with you?

Tryna, tryna find out just where ya be at
So I can come through and beat that
I wanna be the one you call
Whenever your friend feel like she need that
Girl, I wanna be that
You're a super fly girl, I'm a super fly guy
No Kay Gator boots on, flying through the sky
Two A.M. I wanna fall through
So we can lay it down till the sky light blue
I wanna do the damn thing, girl
Make the box spring sang, girl
So get rid of that lane, girl
Me and Tank tryna run a little chew chew train
Girl, I wanna be that
Player who gets that late night call
Can't ya see that, girl, what's up with you?
Tryna, tryna find out just where ya be at
So I can come through and beat that
I wanna be the one you call
Whenever your friend feel like she need that
Girl, I wanna be that
Gets that late night call
Can't ya see that, girl, what's up with you?
Tryna, tryna find out just where ya be at
So I can come through and beat that
I wanna be the one you call
Whenever your friend feel like she need that
Girl, I wanna be that
This is a jazzy fizzle productions, my nizzle
What's up Wolf
Yeah, man, he fizzle we're gonna go down like this
Till the sun come up, baby girl
You already know what it is
Bang, bang, bang
Tank, background, new town
See I'm on, yeah, later night, oh boy
