Greens

Enos Slaughter

Woke up this morning crawled out between the sheets
My woman was warm, kisses oh so sweet
Wanted to stay but I had to go
Headed for the factory, made myself some doughI said, Greens is what I mean
Well it don't keep you warm as love
But it sure pays for that fun in betweenGot me some new wheels bright red fast and mean
Felt good drivin' around in that machine
Cruisin' 'round puttin' on a show
Couldn't make the payment the car just had to goI said, Greens is what I mean
Well it don't keep you warm as love
But it sure pays for that fun in betweenGotta make some changes, gotta get myself in gear
Thing's are gettin' heavy, I'm cuttin' out of here
Take my woman, make some speed
Don't know where I'm going but I sure know what I needI said, Greens is what I mean
Well it don't keep you warm as lovin'
But it sure pays for that fun in betweenGreens is what I mean, yeah
Well it don't keep you warm as lovin'
But it sure pays for that fun in between
