

# Three Days

[k.d. lang](#)

Three days that I hate to see arrive  
Three days that I hate to be alive  
Three days filled with tears and sorrow  
Yesterday, today, and tomorrow There are three days I know I will be blue  
Three days I'll dream of you  
And it does no good to wish these days to end  
'Cause the same three days start over again Three days that I dread to see arrive  
Three days that I hate to be alive  
Three days filled with tears and sorrow  
Yesterday, today, and tomorrow
