

Love Has Come

Mark Schultz

Well, I know this life is filled with sorrow
And there are days when the pain just lasts and lasts
But I know there will come a day
When all our tears are washed away with a break in the clouds
His glory coming down and in that moment Every knee shall bow, every tongue confess
That God is love and love has come for us all
Every heart set free, everyone will see
That God is love and love has come for us all For anybody who has ever lost a loved one
And you feel like you had to let go too soon
I know it hurts to say goodbye
But don't you know it's just a matter of time 'til the tears are gonna end
You'll see him once again and in that moment Every knee shall bow, every tongue confess
That God is love and love has come for us all
Every heart set free, everyone will see
That God is love and love has come for us all Oh, and on that day we will stand amazed
At our savior, God and king
Just to see the face of amazing grace
As our hearts rise up and sing Glory, glory, hallelujah
Thank You for the cross
Singing glory, glory, hallelujah
Christ has paid the cost Glory, glory, hallelujah
Thank You for the cross
Singing glory, glory, hallelujah
Christ has paid the cost And every knee shall bow, every tongue confess
That God is love and love has come for us all
Every heart set free, every one will see
That God is love and love has come for us all Love has come for us all
Love has come for us all And every knee shall bow, every tongue confess
God is love, love has come for us all
Every heart set free, everyone will see
God is love, love has come for us all Every knee shall bow, every tongue confess
God is love, love has come for us all
Every heart set free, everyone will see
God is love, love has come for us all
