

Horror Business

Misfits

Too much horror business
Driving late at night
Psycho '78
My bathroom is new You, you don't go in the bathroom with me Psycho '78
12 o'clock, don't be late
All this horror business
My mirrors are black You don't go in the bathroom with me Warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you Too much horror business
Drivin' late at night
Psycho '78
My bathroom is new for you You, you don't go in the bathroom with me Psycho '78
I'm talking about
12 o'clock, don't be late
I say, all this horror business
My mirrors are black for you You, you don't go in the bathroom with me With you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you I'll put a knife right in you
I'm warning you You, nobody can do
What I can do, no
