

Leyla (feat. Fuse ODG)

Angel

Call up the waiter
Send this string for Leyla
I'm buying all a round
Just wanna hold her down
I don't know how to say this
I've been waiting for ages
Just let me hold you down
I wanna hold her, hold her What a night!
What a night!
Come sit here, and drinking
Drinking up 'cause I'm thinking
I watch you come over, to you I got shower
Saw you were winking
Where do you come from?
Girl, I've been needing
Somebody to come w to every night,
Not just only on weekends
Playing like I know you,
Girl, don't I know you?
Don't you just see running downtown
Tryina pick themselves up, but they're nothing like you, uh
Call up the waiter
Send this string for Leyla
I'm buying all a round
Just wanna hold her down
I don't know how to say this
I've been waiting for ages
Just let me hold you down
I wanna hold her, hold her What a night!
What a night!
Leyla, Leyla
Leyla, Leyla I'm just sitting at the bar
but I'm watching you and the way that you move
You got to be from a far, mouth dropping
I wanna leaving with you, yeah??? Call up the waiter
Send this string for Leyla
I'm buying all a round
Just wanna hold her down
I don't know how to say this

I've been waiting for ages
Just let me hold you down
