

# Skyline

**Martin O'Donnell & Michael Salvatori**

What am I doing here  
In such a lonely place?  
Birds fly below  
I'm high up in my cage  
Wide awake again  
Or am I dreaming?  
Trains passing by  
World spinning 'round my head  
Then I heard a sweet voice cry  
Telling me, yeah, it's gonna be alright  
I just look at the skyline  
A million lights are looking back at me  
And when they shine  
I see a place I know I'll find some peace  
I just look at the skyline  
I used to rush around  
To keep busy in the day  
Then we did up and drink

We might find something new to say  
No, I can't live this way  
But then I heard that sweet voice cry  
Telling me, yeah, it's gonna be alright  
I just look at the skyline  
A million lights are looking back at me  
And when they shine  
I see a place I know I'll find some peace  
I just look at the skyline  
I look at the skyline  
A million lights are looking back at me  
And when they shine  
I see a place I know I'll find some peace  
I just look at the skyline  
What am I doing here  
In such a lonely place?
