Beautiful

[Pop Evil](#)

Where it begins, the color of your skin
Nothing's gonna change
Is it where you grew up?
You'll never know what they're gonna say
Tell me how to cope, burdened by the scope
Looking through your hands
Blame it on a world where a boy and a girl
Can't understand
Can't understand

You're beautiful, you're beautiful to me
Don't ever say you never lost your way
You're beautiful today
And every day for the rest of your life

When's it gonna end, imaginary friend
No one knows your name
Never number one, never outrun what you defend
Show me where to go, tell me there is hope
It slips right through your hands
Living in a world where a boy and a girl
Can't understand
Can't understand

You're beautiful, you're beautiful to me
Don't ever say you never lost your way
You're beautiful today
And every day for the rest of your life

For the rest of your life
For the rest of your days
You feel it inside in every way
For the rest of your life
For the rest of your days
You feel it inside in every way
For the rest of your life

You're beautiful, you're beautiful to me
Don't ever say you never lost your way
You're beautiful today

And every day for the rest of your life
