

# Another Tension Head

## Mondo Generator

Ahhhh! I used to be cool  
Like Cabalone  
Now I'm not so cool  
Now startin to sweat ah  
I used to be cool  
Now I feel like fresh now  
Now I'm not so cool  
Well I'm a tension head  
Another tension head  
Another tension  
Another tension head  
I used to be cool  
Now I'm running a nightclub  
Now I'm not so cool  
Now I crap on everything  
I used to be cool  
Now someone dropped it  
Now I'm not so cool  
Now  
Another tension  
Another tension head  
Another tension  
Erection  
Another tension  
Another tension head  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa  
T-t-t-head
