

Falling into You

Hillsong Young & Free

I've lived my life to the limit
Well I'm at the end of myself
I see the end that I know below me
Your love is waiting to catch

I'm falling into you
Cause no one's gonna
Love me like you do (alright)
I've got nothing to lose
So I can't stop, won't stop
Falling into you (alright)

The rush I've felt in the free-fall
As I lost control of my life
Jesus, I've found that
You've always had me
Your love is never in doubt

I wanna love you like you love me
I wanna love you like you love me

I'm falling into you
Cause no one's gonna
Love me like you do (alright)
I've got nothing to lose
So I can't stop, won't stop
Falling into you (alright)

I wanna love you like you love me
I wanna love you like you love me

I'm falling into you
Cause no one's gonna
Love me like you do (alright)
I've got nothing to lose
So I can't stop, won't stop
Falling into you (alright)

I'm falling into you
