Give Me Your Love (Love Song)

Curtis Mayfield

Give me your love
Give me your love
Give me your love
Give me your love
Give me your loveI want you so, babe
Can't even get mad at you
What a thing
You really swing
And I feel so good it's trueYou're such a gun
Make my lungs sigh
Breathin' in the airThrough lovin' you
I really know, child
Just how much I care
Give me your loveGive me your love
Give me your love
Give me your love
Give me your love
Give me your lovePreparing for tomorrow
You do what you have to do
I'll share the weight
Whatever fate
Plans to bring to youDon't worry 'bout no attitude
You just be yourself
I could live with you
In solitude
And need no one elseGive me your love
Give me your love
Give me your love
Give me your love
Give me, give me
