

Can't Get Enough Of You

Drew Holcomb & The Neighbors

Just sit down in the back row
If you wanna play in my game.
Guess you won't have to worry
'cause all films look the same.
Just put your arms around me
And I'll make you sing out of tune.
Won't nobody watch you
'cause we're lovers in the same room.

Oh wah

a one

two

three

Put your sweet lips closer to me.
This is not F One two three
And this is n8t back row anymore.

I can't get enough of you
Can't get enough love
Can't get enough of you
I can't get enough of your love.
Can't get enough of you

...

Sit yourself beside me now
And imagine that we're one and not two.
I don't wanna shock you

But

Baby

I'm in love with you.
Sit yourself beside me now.
You better close your pretty eyes when I say:

Oh wah

a one

two

three

..

Oh

just one knock on my door
Baby.
And when your people ask you

At home if you enjoyed the show
Did you like Clark Gable -
Say "I think so but I don't know".

Oh

say you saw a sweet guy

Oh

can't remember his name -
And the way that he kissed was
Li@e Clark Gable the same.

Oh wah

a one

two

three

..
