All Day

LOCASH

Got a little wheel in my left hand
Got a left hand in my right hand
Got a little highway, no plans
I could do this all dayCoast down that coastline
Hide from the world in the Georgia pines
Sneak a little kiss at that stop sign,
I could do this all dayLittle more of that can't stop,
Lookin' at you in that tank top
Burnin' it up in that shot gun, so hot
Blowin' me awayLittle bit of that cool breeze
Leave a little lipstick on me
Ain't no worry, don't worry about me
Cause I could do this all day
Radio got a little groove on
Baby gon' got a little move on
Every song on is a love song
I could do this all dayGettin' on home past midnight
Lookin' like another sunrise
Go and take your sweet time
Cause I could do this all dayLittle more of that can't stop,
Lookin' at you in that tank top
Burnin' it up in that shot gun, so hot
Blowin' me awayLittle bit of that cool breeze
Leave a little lipstick on me
Ain't no worry, don't worry about me
Cause I could do this all day
All day, all night
Allllll dayyy
All day, all night
Allllll nighttt Got a little wheel in my left hand
Got a left hand in my right hand
Got a little highway, no plansLittle more of that can't stop,
Lookin' at you in that tank top
Burnin' it up in that shot gun, so hot
Blowin' me awayLittle bit of that cool breeze
Leave a little lipstick on me
Ain't no worry, don't worry about me
Cause I could do this all dayLittle more of that can't stop,
Lookin' at you in that tank top

Burnin' it up in that shot gun, so hot
Blowin' me awayLittle bit of that cool breeze
Leave a little lipstick on me
Ain't no worry, don't worry about me
Cause I could do this all dayAll day, all night
All day, all night
