## Kid Rock

Well guess whos back, with a big fat cock  
Its the kid motherfucker with the classic rock  
Like wax that booty, yodeleyeho, punk  
Slappin you hoes with dick when I get drunk  
From alabama, to texacana  
Bend over bitch and let me slam her  
Big fat dick up in your booty, oh goody  
If your a freaky hoe, well do the backdoor boody  
Bitch  
Dont need your front  
You'de shit your pants if I licked your cunt  
Fuckin in the can, fuckin in the showers  
I got more hoes then my man ed powers  
I wont send flowers at the fuckin ( ? ? ? )  
You can bet your ass I'll be screaming ( ? ? ? )  
I don't really need to be tied down  
Im a rancid man and I'll slap the bells  
When I was on the hunt rippin hoes apart  
And I fuck so hard I make their pussy fart  
Do the hip-hip-hop yep it don't stop  
Im back, bitch, with the classic rock

( ? ? ? )

Now if you wanna be fucked then step up, bitch  
Im gonna pack my dick all up in your shit  
Now I don't like rubbers, they hold me back  
Instead a hoe like ( ? ? ? ) would rock that back  
I wont cut slack for the stuck up hoes  
Here, my prime turn up their nose  
Slimmy on a slit, try to tell me how to shake  
An' when I trop my drawers and shove up my dick  
Huh, you know thats true  
I got a pocket full of pills and a bottle of brew  
Got a hole nig sue in one dang pants  
Fucked em both at the same time  
Playin shows, fuckin hoes  
Got the dope in my veins and up my nose  
I want some hoes I can mack on  
Kid rock, an' I get more pussy then a tamp-on

Kid, to the clip, to the grip, to the flip  
Stood back, to the slap, to my nuts in your butt  
Yeah don't stop, because I'm back with the classic rock  
You put my balls in your mouth, and you don't stop  
You put my balls in your mouth
