Bumble Bees

Murmurs

Straight ahead before me I see
Castle towers
Oh no, that means prisoners
I hear the severed sounds
Of dark
And distilled
Coated hearts
Who's thoughts are screaming, crying, words of horror
Fear, and oh
My dear
We're gonna change all that
Change all that
Change all that
Change all that
Change all that
Change all that
Yeah
Dare me not to cry
Dare me not to cry
Take my sugar, taste it
I waste it all the time
Straight ahead before you I see
Bumblebees
Bzzzzzzzzzz
And they're flying my way
Buzzing doesn't scare me
It's the sting that makes me sore
I don't know about you
But I much prefer my honey from a jar
So far that's the way it goes
That's the way it goes
And if you're thirsty drink my
Rise from your knees sir
I am not worthy
Clenching your phantom
Figure for food
I live within shadows
Yours is my blessing
Lost in a passage

A world within words
Straight ahead before me I see
That's the way it goes
That's the way it goes
And if you're thirsty
Drink my words
