

# Mr. Superlover

## Tankard

Woman - how many ways can I use woman  
Abuse them - verbal assault and then abuse them  
They should be grateful - subservient and still be grateful You drive me to my concerts, I refuse to pay for trains  
Complaininng's out of order, I'm your only fucking lay  
Do me service or be smacked, broad, if I don't get my own way (Hey you, I'd die for you)  
I'll drive for you, my baby  
I'd do it all for you  
(Hey you, I'd die for you)  
succumb to all your whims  
if you'd just let me in Demon - you're present in all of my nightmares  
I thank god - Vodka, my friend, has been my saviour  
Because you left me - mobility is gone, I'm stranded Give me justice, I'm the mentor, you're the only one to  
blame  
Mouth me, sugar, get a shiner, leave you for another dame  
Doesn't matter, seems you lost out, thank god you are all the game (Hey you, I'd die for you)  
I'll drive for you, my baby  
I'd do it all for you  
(Hey you, I'd die for you)  
succumb to all your whims  
if you'd just let me in Give me justice, I'm the mentor, you're the only one to blame  
Mouth me, sugar, get a shiner, leave you for another dame (Hey you, I'd die for you)  
I'll drive for you, my baby  
I'd do it all for you  
(Hey you, I'd die for you)  
succumb to all your whims  
if you'd just let me in
