Project

Caveman

You caught me on my way to destroy stages
You stopped me bitter faced to ask me this
You, I don't understand your agitation
Why can't you write a track that's sensitive?It isn't because I just didn't think about it
It isn't because I just see-see-can't
It isn't because I just didn't think about it
It isn't becauseI wish I see-see-could little man
I wish I see-see-could little man
I wish I see-see-could
You took a step back when I started howling
You turned and told your friends with hostile frowns
This dude is furious I don't quite get it
I wonder why he doesn't just calm downIt isn't because I just didn't think about it
It isn't becauseI wish I see-see-could little girl
I wish I see-see-could little girl
I wish I see-see-could little girl
I wish I see-see-could little girl
I wish I see-see-couldI made my way back to the Merc Booth after
A man confronts me smiling ear to ear
The sweat is dripping from his face in gallons
And all he wants to do is shake my handHe stops to tell me he'd be six feet under
That's if it wasn't for our caveman jam
I wish I see-see-could little man
I wish I see-see-could little girl
I wish I see-see-could little man
I wish I see-see-could little girl
I wish I see-see-could
