

A Girl from a Different Dimension

JPNSGRLS

Get me a girl from a different dimension,
Girl youâ€™re so bad you love the attention
And girl you rocked all 5 of my senses
Thatâ€™s why itâ€™s love girl,
Cuz it wonâ€™t have an ending

I wonâ€™t wait
And I wonâ€™t break
And I wonâ€™t care for his mistakes
Now

You say my name girl as if itâ€™s a bad thing
You scream my name girl as if itâ€™s a bad thing
You scream my name girl as if itâ€™s a bad thing
But if its love girl, then it wonâ€™t have an ending

I know babe
Til Iâ€™m insane
Then Iâ€™ll take aim
And stole his face

I wonâ€™t wait
And I wonâ€™t break
And I wonâ€™t care for his mistakes
No
