

Massachusetts

Aaron Lewis

I sit here on the stairs and listen to
The night time as the daylight fades away
It's such a haunting and familiar tune
When I hear it in the distance, I can say That I'm home in Massachusetts
Where my daughters and my wife they wait for me
All alone but the truth is
It's where I always am, it's where I long to be
Because I'm home The North Shore is where my father lives
I wear my Red Sox hat around the world with pride
But the Berkshires are where my heart is
And when I see them in the distance I could cry Because I'm home in Massachusetts
Where my daughters and my wife they wait for me
All alone but the truth is
It's where I always am, it's where I long to be Nyla started preschool and Indie just turned two
And Zoe's just the perfect mix of me and you
They keep getting older and time keeps going by
To think about it makes your Daddy wanna cry So I just pass the sign that welcomes me to Worthington
Established long before this country came to be
A place that hasn't really changed with time
The way this country that I love it used to be Because I'm home in Massachusetts
Where my daughters and my wife they wait for me
All alone but the truth is
It's where I always am, it's where I long to be Because I'm home, in Massachusetts
Where my hero teaches classes every day
Where my friends don't treat me different
It's where my family is, it's where I'll always stay Because I'm home
