The Final Frontier

Rejoined

I'm stranded in space
Lost without trace
I haven't a chance of getting away
Too close to the sun
I surely will burn
Like Icarus before me
Or so legend goes
I think of my life
Reliving my past
There's nothing but wait
'till my time comes
I've had a good life
I'd do it again
Maybe I'll come back
Some time afresh
For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye
The Final Frontier
The Final Frontier
If I could survive
To live one more time
I wouldn't be changing
A thing at all
done more in my life
Than some do in ten
I'd go back and do it
all over again
For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye
The Final Frontier
The Final Frontier
There isn't much time
Must say my last rites
Nobody is here to
Read them to me

Must say my goodbye
If only a line
A message to tell them
In case they might find
For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye
The Final Frontier
The Final Frontier
