Advisory - the following lyrics contain explicit language:

Theres a party and its at the beach
Well the food is good and the chicks are neat
Sittin' round feelin' swell
I saw a girl and said what the hell
I was bored and the night was young
I wanna go out and have some fun
I saw a girl she was groovy
Hey baby wanna go to the movies
Beach Party yeah
Were at the beach The chicks are neat
I'm feelin' swell I say well what the hell
the night was young and we're havin' fun and I'm
I'm feelin' groovy yeah
