Party O'clock

Kat Deluna

Time to wake up the world
RedOne, it's party o'clock,
Hello world, Kat DeLuna,
Hello world, one more time,
Wake up, wake up, it's party o'clock,
Da di da di da di da di da di da di da di da,
Ooooooooooooh,
I don't even check the time,
I just look up to the sky,
When the sun goes up,
Then the party's goin' down,
Ain't nobody goin' home,
Bout' to take off on the floor,
We gon' lose it to the music,
Till they kick us out the door,
Then we party in Miami,
Party in Ibiza, Party in New York,
All the way to Africa,
Love in the Caribbean,
On my way to Vegas,
We go San Tropez & Tokyo!
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Da di da di da di da di da di da di da di da,
Ooooooooooooooh,
We won't be needin no sleep,
On the every night of the week,
We just laugh on the plane,
Then we be right back to the heat,
Oh yeah, we gon' mash it up,
Never gonna give it up,
It's the club like were living,
Where you at we pick you up,
Then we party in Miami,
Party in Ibiza, Party in New York,
All the way to Africa,
Love in the Caribbean,

On my way to Vegas,
We go San Tropez & Tokyo!
Hello world, hello world,

Wake up, wake up, it's party o'clock,
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Da di da di da di da di da di da di da di da,
Ooooooooooooooh,
Da di da di da di da di da di da di da di da,

(Onassis)
Hello time to jiggle like jello,
Feeling kind of good nigga got me feeling mellow,
And um we gone party like pebbles,
Petal to the metal while I spin,
Like a navel,
Everybody bra bra ,
Stop it with the blah blah,
Head so high you would think I'm smoking,
La la,
We don't want no drama,
Hotter than lava we be rocking the Bahamas,
Mamma will you take my hand,
Come on baby lets dance,
Let me say the words try spark a romance
Let me show you things that you've never seen,
Breath liked you never breathed,
Spread your wings baby,
Come on fly away with me,
It's a celebration all around the world,
Trend stay high marvelous is how I feel,
Pretty ladies everywhere oh yeah,
Hello world so happy to be here,
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Hello world, hello world,
Wake up, wake up, it's party o'clock,
Hello world, hello world,
