## Mis-teeq

Welcome to the Mis-Teeq boutique  
If your man's not doing good by you  
Shop Around, Shop Around  
Girls say you're lookin' for a man who understands  
One to pay your bills and gives you good loving  
One man to treat you right  
Hold you through the night  
He makes you feel you are a special woman  
A good man stands by his word  
Has nothing to prove not to his boys  
He'll always treat you like a lady  
So if you're boo's runnin' game on you  
Playing with your mind bag him up  
Girl stop wasting time  
He's got no respect he can't represent  
Got no regrets keep steppin'  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on  
Creeping browse in every store  
Sales on every floor  
So take your time you've got to be selective  
No doubt, you'll surely find  
That once upon a time kind of love  
Until you do just keep on searchin' for love  
A good man stands by his word

Has nothing to prove not to his boys  
He'll always treat you like a lady  
So if you're boo's runnin' game on you  
Playing with your mind bag him up  
Girl stop wasting time  
He's got no respect he can't represent  
Got no regrets keep steppin'  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on  
Shop around  
Scope him down

If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject

And keep on movin' on  
Now I'll take this time to say what's on my mind  
The secrets and the lies he tells  
Will hurt your precious mind  
Don't fallin love too blind  
Got to open up your eyes  
Don't like the way your man behaves  
He'll feed you every little line he can  
A good man stands by his word  
It's this quick  
All I need is a colour and some lipstick  
Number in your pockets  
All the papers where the ripped it, fixed it  
No I wouldn't even risk it  
Most of the so called playas are oilier than a dipstick  
See them in the rave, try their best to behave  
If you're whack get your money back 14 days  
So if you want another love  
Something kind of prim and proper  
And you're gonna ditch your bother  
Girl then you know you gotta  
Shop around

Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep movin' on  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on  
Shop around  
Scope him down  
If he's right  
Hold tight  
Oh Girl  
(And if he's not)  
Stamp Reject  
And keep on movin' on
