Novocaine

Spitalfield

Dream a picture
Of how you see me, yeah
Pinch yourself and I'm thereMouth the words
To the song you hear
Listen closely, my dear
It's like we're almost thereJust a pinch of Novocaine
If you won't be
The one to ease my pain
Just say my name
Sweet, sweet NovocainePut your faith in a show
Everyone is waiting for you there
I can hardly see anythingCatch the world by it's tongue
Few more words
And I'll be done, yeah
But will I ever really be?Just a pinch of Novocaine
If you won't be
The one to ease my pain
Just say my name
Sweet, sweet NovocaineWake me, take me anywhere
That I don't have to be
You don't have to say my name
I don't have to be meJust a pinch of Novocaine
If you won't be
The one to ease my pain
Just say my name
Sweet, sweet NovocaineIf you won't be
The one to ease my pain
Just say my name
Sweet, sweet NovocaineCall the extras to the set
And turn the lights up
Oh oh oh oh
Aren't we finished yet?
I'm finishedCall the extras to the set
And turn the lights up
Oh oh oh oh
Aren't we finished yet?
I'm finished
