Hellfire

Russell Brower, Derek Duke, Matt Uelmen

Driving through hell just to get back home
I can't find the way there's too much smoke
I'm choking on the air that I breathe
I can't turn around 'cause I'm in too deep
I'm in a hellfire
It's better to die young
I'm in a hellfire
It's better to die young
With driving wheels I was born to ride
Straight outta hell and to the other side
I don't give a damn about the big boss man
For all I care he can kiss my arse
With driving wheels

I was born to ride
Straight outta hell
And to the other side, hellfire
I been slavin', workin'
Kickin', livin', screamin' in a hellfire
It's better to die young
I'm in a hellfire
It's better to die young
I'm in a hellfire
It's better to die young
Yeah, all alone in a hellfire
It's better to die young
