

# She Has A Girlfriend Now

## Reel Big Fish

She has a girlfriend now  
She has a girlfriend now  
She has a girlfriend now she said  
"guys don't do no more for me"  
"you never loved me like I wanted you to"  
"I loved you baby what do you want me to do?"She said she found someone who's gonna hold her hand  
She said she found someone who's gonna understand  
She don't need nobody to be her man  
She don't need nobody to be her manI never thought it would end like this  
Just because I've got no tits  
I'll shave my legs, I'll wear a bra  
I'll even cut my penis off for you  
She has a girlfriend now.
