Haven't Met You Yet

Smooth Jazz All Stars

I'm not surprised, not everything lasts
I've broken my heart so many times, I stopped keeping track
Talk myself in, I talk myself out
I get all worked up, then I let myself down
I tried so very hard not to lose it
I came up with a million excuses
I thought, I thought of every possibility
And I know someday that it'll all turn out
You'll make me work, so we can work to work it out
And I promise you, kid, that I give so much more than I get
I just haven't met you yet
I might have to wait, I'll never give up
I guess it's half timing, and the other half's luck
Wherever you are, whenever it's right
You'll come out of nowhere and into my life
And I know that we can be so amazing
And, baby, your love is gonna change me
And now I can see every possibility
And somehow I know that it'll all turn out
You'll make me work, so we can work to work it out
And I promise you, kid, I give so much more than I get
I just haven't met you yet
They say all's fair
In love and war
But I won't need to fight it
We'll get it right and we'll be united
And I know that we can be so amazing
And being in your life is gonna change me
And now I can see every single possibility
And someday I know it'll all turn out
And I'll work to work it out
Promise you, kid, I'll give more than I get
Than I get, than I get, than I get
Oh, you know it'll all turn out
And you'll make me work so we can work to work it out
And I promise you kid to give so much more than I get
Yeah, I just haven't met you yet
I just haven't met you yet
Oh, promise you, kid

To give so much more than I get
I said love, love, love, love
Love, love, love, love
(I just haven't met you yet)
Love, love, love, love
Love, love
I just haven't met you yet
