

Tell Me Something I Don't Know

Yankee Grey

Your bags are packed sittin' by the door
Your mama's waitin' outside in the car
It won't do no good to try to stop, you now
'Cause you think you know for sure You say good-bye, baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it but honey I've seen it before
So come on tell me somethin' I don't know You told me once Lord, you told me twice
Maybe the third time will be the charm
Now the chances are, lordy, you'll be back
Cryin' wolf again tomorrow You say good-bye, baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it but honey, I've seen it before
So come on tell me something I don't know
Come on tell me something I don't know, yeah
Oh nothing, no no You say good-bye, baby don't cry
'Cause this time your walkin' out the door
You'll say you mean it but honey, I've seen it before
So come on tell me somethin' I don't know
Come on tell me somethin' I don't know
Somethin' I don't know Lord, somethin' I don't know
Lord, Lord, Lord, somethin' I don't know
Yeah, yeah, yeah, yeah
No, no, no, no, no
