The Last Battle

Sabaton

5th of May, V-day's just around the corner
1945, the FÃ¼hrer's reign's at its endJenny at the gates, as the SS open fire
There's no time to waste, the final battle's begunAfter the downfall, a castle besieged
Facing the Nazis, awaiting relief
Gangl and Lee and their men set the prisoners freeAnd it's the end of the line of the final journey,
Enemies live in the past!
And it's American troops and the German army,
Joining together at last!One last fight, it's the death throes of the 3rd Reich
Justice shall be done, the final battle remainsAmmo's running low, they're depleting their machine guns
Every bullet counts until surrender's announcedAfter the downfall, a castle relieved
Defeating the Nazis who held them besieged
Gangl and Lee and their men set the prisoners freeAnd it's the end of the line of the final journey,
Enemies live in the past!
And it's American troops and the German army,
Joining together at last![solo]From the foot of the Alps, to the shores of the sea...
From the foot of the Alps, to the shores of the sea...
From the home of the brave, from the land of the free!
From the foot of the Alps to the shores of the sea!And it's the end of the line of the final journey,
Enemies live in the past!
And it's American troops and the German army,
Joining together at last!And it's the end of the line of the final journey,
Enemies live in the past!
And it's American troops and the German army,
Joining together at last!
