Stranded

No Fun At All

I feeling kind of lonesome
I don't know where I am
Could use a new horizon
Some kind of planSilently I'm awaiting the rescue
Gazing into the wavesI'm stuck here cannot get away
Can't stand another torrid day
The sun is burning on my skin
I think it's time to pack it in
Can't you see I'm stranded?I'm waiting for directions
To find the easy way
To everlasting happiness
A safe place to stay
