Take You Home

Cassadee Pope

I know I just met you
Been talking your ears off
But I wanna know everything
And I got all night long
Are you tryna be someone for someone?
'Cause you remind of where I come from
So boy, I know it's kinda soon
But I'll tell you what I wanna doI wanna take you home
And I ain't talkin' about a two mile ride back to my place
Oh, this ain't the same old song about two hearts hooking up
One and done, on a Friday
Naw boy, I'm talking about a map-dot town, nobody knows
That'll tell you everything you need to know
About me and why I talk like I do and why I'm falling for you
And why i take it slow
I wanna take you home
Yeah, I wanna take you home
Daddy's gonna love you
He'll probably talk your ears off
Drive you by the little church
That saved me when I got lost
Take you down roads that I grew up on
Wish on those stars that I used to wish on
Kiss you on the bleachers on the 50-yard line
Boy, you know I...I wanna take you home
And I ain't talkin' about a two mile ride back to my place
Oh, this ain't the same old...
Oh, this ain't the same old song about two hearts hooking up
One and done, on a Friday
Naw boy, I'm talking about a map-dot town, nobody knows
That'll tell you everything you need to know
About me and why I talk like I do and why I'm fallin' for you
And why I take it slow
I wanna take you home
Yeah, I wanna take you home
I ain't trying to jump the gun
Sure ain't trying to make run
But the second I saw you, I knew I had to get you aloneI wanna take you home
And I ain't talkin' about a two mile ride back to my place

Oh, this ain't the same old...
Oh, this ain't the same old song about two hearts hooking up
One and done, on a Friday
Naw boy, I'm talking about a map-dot town, nobody knows
That'll tell you everything you need to know
About me and why I talk like I do and why I'm fallin' for you
And why I take it slow
I wanna take you home
Yeah, I wanna take you homeAnd tell you about me and why I talk like I do
And why I'm fallin' for you
And why I take it slow
I wanna take you home
