

Public Warning

Lady Sovereign

Public Warning, who's in town?
Public Warning, all bow down
I'm riding here on this beat
'Cause I don't give a monkeys what you think about me
It's on, no long ting, it's on
Ding dong, who's that, peekaboo it's Sov
Yo, ladies and gentlemen this ain't no experiment
It's the uneducated example of intelligence
By irrelevance, means more than your irrelevance
Its evident, theres evidence that I am bloody excellent
Yo, first I got a gig bigger and better
And flow on the mic I'm a level which
And I'll get u back wife a dirty backhander
If I discover you are a hater
See I told you that I'm better
Maybe when betty bought I bit of butter
Well, I'm bringin' a bit a better, a bitta gutter
A bitta of an uh, uh, a bitta haha
A bit of every little damn thing
Public Warning, who's in town?
Public Warning, all bow down
Public Warning, who's in town?
Public Warning, Sov?s in town
Crown me the pint size clown of the town
Said I'll huff and I'll puff, and I'll blow your house down
Or I'll be the boogie woogie woman, in her boogie woman gown
And I'll boogie woogie you with my boogie woogie sound
See I told you that I'm better
Maybe when Peter piper picked a peck of pickled peppers
Well, I'm pickin' a bitter better, a bit of gutter
A bitta ha, ha, a bit of every little damn thing, ching
Public Warning, who's in town?
Public Warning, Sov?s in town
I'm that walkin' dictionary
I'm that talking thesaurus
I'm that old school, prehistoric sovasouras
I got a habit of absolutely damaging any track when I attack it
See I told you that I'm raw
Maybe when she sold them seashells on the seashore

Well, I'm sellin' a little more, a little raw
A little encore please while I drop it hardcore, now ha, ha
Public Warning, who's in town?
Public Warning, all bow down
Public Warning, who's in town?
Public Warning, Sov's in town
I don't wanna play none of your games
I don't wanna play none of your games
I wanna play all of my games
I wanna play all of my games
I don't wanna play none of your games
I don't wanna play none of your games
I wanna play all of my games
I wanna play all of my games
I don't wanna play none of your games
Who's in town?
I wanna play all of my games
Sov's in town
I don't wanna play none of your games
Who's in town?
I wanna play all of my games
All bow down
I don't wanna play none of your games
I don't wanna play none of your games
I wanna play all of my games
I wanna play all of my games
