

Mass Hypnosis

Children of Bodom

Looking inside, your future uncertain
The fear grows as a sickness uncured
The silence ggonizes, the word sound strong
Look inside he eyes, leave this worldHate through the arteries
Mass hypnosisUncertain of being back
They make you feel so good
Everything's darkened
Obey like a foolHate through the arteries
Mass hypnosisSoldiers going nowhere
Believers kneeling over their sins
Inhuman instinct of cowardly leaders
Make the world go their own wayTens of thousands hypnotized
Trying to find a reason why
Look inside your empty eyes
Obey 'til the end
