GLASGOW

EARLWOLF SUMMER 2013

(Cool)
I got a lift home, I thought I was already on
But I get stuck in traffic
Yes, I get stuck in traffic if you know what I mean
If you know what I mean
(Cool)
(Cool)
Between a second, again, or third drink
My icy cough, I?m not very interested
My cold set higher
Higher than you
It was the smoke in my eyes
That made me want to cry
But I don?t think you believe me

It was the smoke that set off the fire alarm
I was at the bar, no crashing a car
But I don?t think you believe me, do you?
Everyone?s watching, so try to act (cool)
I read a manuscript, I read the older book
I think I bought every, every issue
I made a wrong investment, if you know what I mean
I think I loved you, I think I told you so
And after ten drinks this is what I meant to tell you
Uh huh huh huh huh huh if you know what I mean
It was the smoke in my eyes
That made me want to cry
But I don?t think you believe me
It was the smoke that set off the fire alarm
I was at the bar, no crashing a car
But I don?t think you believe me, do you?
Everyone?s watching, so try to act (cool)
