

A.D.I. - Horror Of It All

Anthrax

It's just to damn easy, to die in this life
Who's making the decisions?
Tell me, who's got the right? Woh, oh, oh, my grief turns to anger
Woh, oh, oh, it's time to Say good bye, it's a horror
Memories, nothing's harder I know that there's no answer, I mean what'd I expect
So many unanswered questions I can't believe I can't accept
Woh, oh, oh, my anger turns to hatred
Woh, oh, ah, oh, it's time to
Say good bye, it's a horror
Memories, nothing's harder Ooooooh, aaah, ooooooh, the horror of it all
The horror of it all, I'm gonna break
The horror of it all, tell me why You're not supposed to question but why's there so much pain
When someone's taken from you
What can you do or say?
Woh, oh, oh, my hatred turns to violence
Woh, oh, ah, oh, it's time to
Say good bye, it's a horror
Memories, nothing's harder Ooooooh, aaah, ooooooh, the horror of it all
The horror of it all, I'm gonna break
The horror of it all, tell me why The horror of it all
The horror of it all
The horror of it all
The horror of it all Say good bye it's such a horror
My memories there's nothing harder
Anger and hatred fill the page
So smash the walls it's time to rage
