Poisoned Water

Mudhoney

Like stacks and stacks of rats on rafts
Clutchin' anything we can
Like stacks and stacks of rats on rafts
Weight of the world crushin' our backsTooth for a tooth, eye for an eye
You know it's the truth and this is why
Poisoned water poisons the mindBacked in the corner, drinkin' poisoned water
Payin' for the sins of our fore-fathers
Who've beaten and cheated and raped our mother
Ever since gettin' kicked out of the gardenCan't you see? Are you blind?
There's no more teeth and this is why
Poisoned water poisons the mind
