Kill The King

Primal Fear

Danger, danger the queen's about to kill
There's a stranger, stranger and life about to spill
Oh no move me out of harm
I need a spell and a charm
Fly like the wind
I'm no pawn, so be gone, speed on and on
Kill the king
Tear him downKill the king
Strike him downPower, power it happens every day
Power, devour all a long the way
Oh no move me out of harm
I need a spell and a charm
Fly like the wind
I'm no pawn, so be gone, speed on and on
Kill the king
Treason, treason, the specter looms again
Treason, reason, the realm is safe and then
Oh no move away from harm
I need a spell and a charm
Fly like the rainbow
I'm no pawn, so be gone, speed on and onKill the king
Tear him down
Kill the king
Got to take him crown
