Stella by Starlight

Joe Henderson

The song a robin sings
Through years of endless springs
The murmur of a brook at evening tide
That ripples by a nook where two lovers hideThat great symphonic theme
That's Stella by starlight
And not a dream, my heart and I agree
She's everything on earth to meThe murmur of a brook at evening tide
That ripples by a nook where two lovers hideThat great symphonic theme
That's Stella by starlight
And not a dream, my heart and I agree
She's everything on earth to me
