

# I Believe In Santa's Cause

## The Statler Brothers

Never heard a snowman talking  
Never seen a reindeer fly  
Nor seen a wooden soldier walking  
Nor met Santa eye to eye  
Now there are those who don't believe  
In miracles or Santa Claus  
But I believe what I believe  
And I believe in Santa's cause  
Never heard an angel singing  
Never known a Scrooge to smile  
But I have heard sleigh bells ring  
And light a spark in some small child  
For kids and tress light up at Christmas  
As well as preachers and our lawns  
And light a Santa way at Christmas  
I believe in Santa's cause  
There's a Santa world at Christmas  
Turning to the world's applause  
So hang a bell for ole Saint Nick  
'Cause I believe in Santa's cause  
Now there are those who don't believe  
In miracles or Santa Claus  
But I believe what I believe  
And I believe in Santa's cause
